TOEFL iBT (0-120)	N/A	N/A	42 - 71	72 - 94	95 - 120

The English Discoveries Placement Test is a tool designed to measure test takers' ability to function communicatively at different levels of English language proficiency according to the Common European Framework of Reference for Languages (CEFR) and the most common ELL tests and examinations. These alignments are approximate only and are based on claims made by the examining bodies themselves.
